10:35:11   From Nick Aquilino : We have received waivers to the 9 credit requirement - is this no longer recognized in Perkins V?
10:35:17   From Valdijah Ambrose Brown : A waiver means it does not have 9 credits

10:36:50   From Darla Gettle   to   Mary Rodman(Privately) : If you choose program type of certificate, do we need to enter credits? Our certificates are hours.

10:56:58   From Rhonda Hudak : Thank you for your answer - as follow-up - can these signed documenbts be digitized into our electronic files as acceptable assurance?
10:57:33   From Jennifer Roberts : Thanks for offer to send the text from the Program Specific Info page - that would

10:58:44   From Melissa Brown : Do we have to have local agreements approved in the same manner as the statewide agreements?

11:06:51   From Darla Gettle   to   Mary Rodman(Privately) : So this is not an annual process as in the past?

11:07:02   From Susan Rapp : Can multiple individuals from our institution register to access the CATS system. We may want different people to work on differenct sections.
