Pathways to Career Readiness: An Education and Workforce Development Symposium

February 13-14, 2025 • Hershey Lodge and Convention Center, Hershey, PA

PRE-CONFERENCE

Educating for an AI-Driven Future

Details

Date: February 12, 2025

Presenter: Rachael Mann

Time: 1:00 p.m. - 4:30 p.m. (lunch included from 12:00 p.m. - 1:00 p.m.)

Description

Participants will engage in hands-on activities that not only demystify AI but also showcase its potential to revolutionize traditional pedagogies and professional training across diverse fields. This workshop promises a dynamic blend of levity and learning, offering guided activities that allow participants to interact with AI technologies firsthand. Whether experimenting with AI tools that enhance learning outcomes, redefining cheating and assessments in an AI-driven world, exploring AI-driven data analysis techniques, or witnessing the impact of AI on creative industries, attendees will gain a multifaceted understanding of AI's role in education and workforce development. Engagement opportunities woven throughout the session will enable leaders to share insights, challenges, and strategies, fostering a community of practice dedicated to harnessing AI for the future of education. By the end of this session, participants will not only have engaged with AI models but will also carry forward a vision for integrating these innovations into high schools, community colleges and workforce development initiatives.
