Association of Career & Technical Administrators

34th ANNUAL SYMPOSIUM

Pathways to Career Readiness: An Education and Workforce Development Symposium

February 13-14, 2025 • Hershey Lodge and Convention Center, Hershey, PA

Students entering the workforce of tomorrow will face challenges much different than workers of the past. These challenges will impact new workers whether they enter the workforce directly from high school or after earning a two- or four-year degree. Schools and workforce agencies must work to develop new pathways to help students. Local, state, and national leaders will present best practices to help students be career ready.
