

CTE Central Study Tour

March 2-4, 2026

Join us for an exciting and informative Career and Technical Education Study Tour as we explore four career and technical centers in Central Pennsylvania. This immersive three-day event offers a unique opportunity to observe best practices in action and network with fellow administrators. Participants will enjoy guided, half-day visits through each career and technical center, where they will tour facilities, interact with instructors and students, and gain valuable insights. Don't miss this chance to be inspired and bring fresh ideas back to your own school.
